**ADJUDGED** is a judgment decision by an umpire.

**An APPEAL** is an act of a fielder in claiming violation of the rules by the offensive team.

A **BACKSTOP** is the barrier erected behind the catcher in order to allow the catcher to retrieve passed balls easily.

A **BALK** is NOT called in the Little League (Majors) Division, Minor League or Tee Ball. (See Rule 8.05 - illegal Pitch)

A **BALL** is a pitch which does not enter the strike zone in flight and is not struck at by the batter. (NOTE: If the pitch touches the ground and bounces through the strike zone it is a "ball." If such pitch touches the batter, the batter shall be awarded first base. If the batter swings at such a pitch and misses, it is a strike. Junior/Senior/Big League Baseball: If the batter swings at such a pitch after two strikes, the ball cannot be caught, for the purposes of Rule 6.05 (c) and 6.09(b). If the batter hits such a pitch, the ensuing action shall be the same as if the batter hit the ball in flight.)

A **BASE** is one of four points which must be touched by a runner in order to score a run; more usually applied to the canvas bags and the rubber plate which mark the base points.

A **BASE COACH** is a team member in uniform or one (1) adult manager or coach who is stationed in the base coach's box at first or third base to direct the batter and the runners.

The **BATTERS BOX** is the area within which the batter must stand during a time at bat.

The **BATTERY** is the pitcher and catcher.

The **BATTING ORDER** is the list of current defensive players (and the designated hitter in Big League) in the order in which they are to bat. A **CALLED GAME** is one in which, for any reason, the umpire-in-chief terminates play.

A **CATCH** is the act of a fielder in getting secure possession in the hand or glove of a ball in flight and firmly holding it before it touches the ground providing such fielder does not use cap, protector, pocket or any other part of the uniform in getting possession. It is not a catch, however, if simultaneously or immediately following contact with the ball, the fielder collides with a player, or with a wall, or if that fielder falls down, and as a result of such collision or falling, drops the ball. It is not a catch if a fielder touches a fly ball which then hits a member of the offensive team or an umpire and then is caught by another defensive player. If the fielder has made the catch and drops the ball while in the act of making a throw following the catch, the ball shall be adjudged to have been caught. In establishing the validity of the catch, the fielder shall hold the ball long enough to prove complete control of the ball and that release of the ball is voluntary and intentional. A catch is legal if the ball is finally held by any fielder, even though juggled, or held by another fielder before it touches the ground. Runners may leave their bases the instant the first fielder touches the ball.

The **CATCHER** is the fielder who takes the position back of the home base.

The **CATCHER'S BOX** is that area within which the catcher shall stand until the pitcher delivers the ball.

A **FAIR BALL** is a batted ball that settles on fair ground between home and first base, or between home and third base, or that is on or over fair territory when bounding to the outfield past first or third base, or that touches first, second or third base, or that first falls on fair territory on or beyond first base or third base, or that, while on or over fair territory touches the person of an umpire or player, or that, while over fair territory, passes out of the playing field in flight.

NOTE: A fair fly shall be adjudged according to the relative position of the ball and the foul line, including the foul pole, and not as to whether the fielder is on fair or foul territory at the time such fielder touches the ball.

(Un defended steal).

A **FLY BALL** is a batted ball that goes high in the air in flight.

A **FORCE PLAY** is a play in which a runner legally loses the right to occupy a base by reason of the batter becoming a runner. (NOTE: Confusion regarding this play is removed by remembering that frequently the "force" situation is removed during the play. Example: Runner on first, one out, ground ball hit sharply to first baseman, who touches the base and the batter-runner is out. The force is removed at that moment and the runner advancing to second must be tagged. If there had been a runner at second or third, and either of these runners scored before the tag-out at second, the run(s) would count. Had the first baseman thrown to second and the ball had been returned to first, the play at second would have been a force-out, making two outs, and the return throw to first would have made the third out. In that case, no run would score.)

A **FORFEITED GAME** is a game declared ended by the umpire-in-chief in favor of the offended team by the score of 6 to 0, for violation of the rules. (Tee Ball: There shall be no forfeits in Tee Ball)

A **FOUL BALL** is a batted ball that settles on foul territory between home and first base, or between home and third base, or that bounds past first or third base on or over foul territory, or that first falls on foul territory beyond first or third base, or that while on or over foul territory, touches the person of an umpire or player, or any object foreign to the natural ground.

NOTE (1): A foul fly shall be judged according to the relative position of the ball and the foul line, including the foul pole, and not as to whether the fielder is on foul or fair territory at the time that fielder touches the ball.

NOTE (2): In Tee Ball, the ball is foul if it travels less than 15 feet in fair territory from home plate. The ball is also foul if the batter hits the tee with the bat.

**FOUL TERRITORY** is that part of the playing field outside the first and third base lines extended to the fence and perpendicularly upwards.

A **FOUL TIP** is a batted ball that goes sharp and direct from the bat to the catchers hands and is legally caught. It is not a foul tip unless caught and any foul tip that is caught is a strike, and the ball is in play. It is not a catch if it is a rebound, unless the ball has first touched the catcher's glove or hand.

A **GROUND BALL** is a batted ball that rolls or bounces close to the ground.

When it seems apparent that a batted ball will be an Infield Fly, the umpire shall immediately declare "Infield Fly" for the benefit of the runners, If the ball is near the baseline, the umpire shall declare "Infield Fly if Fair."

The ball is alive and runners may advance at the risk of that ball being caught, or retouch and advance after the ball is touched, the same as on any fly ball. If the hit becomes a foul ball, it is treated the same as any foul.

NOTE (1): If a declared Infield Fly is allowed to fall untouched to the ground, and bounce foul and remains foul before passing first or third base, it is a foul ball, If declared Infield Fly falls untouched to the ground, outside the baseline, and bounces fair before passing first or third base, it is an Infield Fly.

NOTE (2): The Infield Fly Rule does not apply in Tee Ball.

IN FLIGHT describes a batted, thrown, or pitched ball which has not yet touched the ground or some object other than a fielder. If the pitch touches the ground and bounces through the strike zone, without being struck at by the batter, it is a "ball." If such a pitch touches the batter, that batter shall be awarded first base. If the batter hits such a pitch, the ensuing action shall be the same as if the ball was hit in flight.

**IN JEOPARDY** is a term indicating that the ball is in play and an offensive player may be put out.

An **INNING** is that portion of a game within which the teams alternate on offense and defense and in which there are three putouts for each team. Each team's time at bat is a half-inning. It will be held that an inning starts the moment the third out is made completing the preceding inning.

3.01- Before the game begins the umpires shall

(a)require strict observance of all rules governing team personnel, implements of play and equipment of players;

(b)be sure that all playing lines (heavy lines on Diagrams No. 1 and No. 2) are marked with non-caustic lime, chalk or other white material easily distinguishable from the ground or grass;

(c)receive from the league a supply of baseballs which meet Little League specifications and standards; The umpire shall be the sole judge of the fitness of the balls to be used in the game;

(d)be assured by the league that additional balls are immediately available for use if required;

(e)have possession of at least two alternate balls and shall require replenishment of such supply of alternate balls as needed throughout the game. Such alternate balls shall be put in play when -

(1)a ball has been batted out of the playing field or into the spectator area;

(2)a ball has become discolored or until for further use;

(3)the pitcher requests such alternate ball.

3.02- No player shall intentionally discolor or damage the ball by rubbing it with soil, rosin, paraffin, licorice, sandpaper, emery-paper or other foreign substance.

**PENALTY:** The umpire shall demand the ball and remove the offender from the game. In case the umpire cannot locate the offender, and if the pitcher delivers such discolored or damaged ball to the batter, the pitcher shall be removed from the game at once.

3.03- A player in the starting line-up who has been removed for a substitute may reenter the game once, in any position in the batting order, provided:

1. his or her substitute has completed one time at bat and;
2. has played defensively for a minimum of six (6) consecutive outs;
3. pitchers once removed from the mound may not return as pitchers;
4. only a player in the starting line-up may re-enter the game;

5. a starter. (S1) re-entering the game as a substitute for another starter (S2) must then fulfill all conditions of a substitute (once at bat and six defensive outs) before starter (S2) can re-enter the game.

**NOTE:** (1) When two or more substitute players of the defensive team enter the game at the same time, the manager shall, immediately before they take their positions as fielders, designate to the umpire-in-chief such player's positions in the team's batting order and the umpire-in-chief shall notify the official scorer. The umpire-in-chief shall have authority to designate the substitute's places in the batting order, if this information is not immediately provided.

**NOTE:** (2) If during a game either team is unable to place nine (9) players on the field due to illness, injury or ejection, the opposing manager shall select a player previously used in the lineup to re-enter the game, but only if use of all eligible players has exhausted the roster. A player ejected from the game is not eligible for re-entry.

### 3.03 - Big League

(a) Any player in the starting line-up, including the designated hitter, who has been removed for a substitute may re-enter the game once, provided such player occupies the same batting position as he or she did in the starting lineup.

(b) A pitcher, withdrawn for a substitute, may not re-enter the game as a pitcher.

(EXCEPTION: A pitcher may re-enter the game as a pitcher, if withdrawn for a pinch-hitter or pinch-runner, and then returned to the game at the beginning of the next half-inning.)

(c) A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once in the same inning as he/she was removed.

#### Big League Designated Hitter Rule:

1. At the beginning of a game, each manager may list on the lineup card a designated hitter to bat throughout the game for a designated player in the regular lineup.

2. Only a player not in the regular batting order may be used as a designated hitter.

3. In the event a manager decides to use the designated hitter as a defensive player, the player must remain in the same position in the batting order, unless otherwise replaced by a substitute. If so, the player for whom the designated hitter was batting must be removed from the game. Such player may re-enter the game once, but only in the batting order position of the former designated hitter, who must be removed.

4. This rule does not change the regular rule governing the use of pinch-hitters.

3.04- A player whose name is on the team's batting order may not become a substitute runner for another member of the team. "Courtesy runner" not permitted.

3.05-

(a) The pitcher named in the batting order handed to the umpire-in-chief, as provided in Rules 4.01 (a) and 4.01 (b) shall pitch to the first batter or any substitute batter until such batter or any substitute batter is put out or reaches first base, unless the pitcher sustains injury or illness which, in the judgment of the umpire-in-chief, incapacitates the pitcher from further play as pitcher.

(b) If the pitcher is replaced, the substitute pitcher shall pitch to the batter then at bat, or any substitute batter, until such batter is put out or reaches first base, or until the offensive team is put out, unless the substitute pitcher sustains injury or illness, which in the umpire-in-chief's judgment, incapacitates the pitcher from further play as a pitcher.

3.06 - The manager shall immediately notify the umpire-in-chief of any substitution and shall state to the umpire-in-chief the substitute's place in the batting order.

3.07- The umpire-in-chief, after having been notified, shall immediately announce, or cause to be announced, each substitution.

3.08-

(a) If no announcement of a substitution is made, the substitute shall be considered to have entered the game when -

(1) if a pitcher, the substitute takes a position on the pitcher's plate and throws one warm-up pitch to the catcher;

(2) if a batter, the substitute takes a position in the batter's box;

(3) if a fielder, the substitute reaches the position usually occupied by the fielder being replaced and play commences;

(4) if a runner, the substitute takes the place of the runner being replaced.

(b) Any play made by, or on, any of the above mentioned unannounced substitutes shall be legal.

3.09 - Players, managers and coaches of the participating teams shall not address, or mingle with spectators, nor sit in the stands during a game in which they are engaged. Managers or coaches must not warm up a pitcher at home plate or in the bull pen or elsewhere at anytime. They may, however, stand by to observe a pitcher during warm-up in the bull pen.

3.10-

(a) The managers of both teams shall agree on the fitness of the playing field before the game starts. In the event that the two managers cannot agree, the president or a duly delegated representative shall make the determination.

(b) The umpire-in chief shall be the sole judge as to whether and when play shall be suspended during a game because of unsuitable weather conditions or the unfit condition of the playing field; as to whether and when play shall be resumed after such suspension; and as to whether and when a game shall be terminated after such suspension. Said umpire shall not call the game until at least thirty minutes after play has been suspended. The umpire may continue suspension as long as there is any chance to resume play.

3.11 - Double Headers

Little League (Majors) Division: A team may play one (1) doubleheader in a calendar week. No team shall play three games in a day. (Exception under condition of Rule 4.12.)

Minor League and Tee Ball: No team shall be scheduled to play two games in one day.

(See Rule 4.12).

Junior/Senior/Big League: doubleheaders are permitted.

3.12- When the umpire suspends play, "Time" shall be called. At the umpire's call of "Play" the suspension is lifted and play resumes. Between the call of "Time" and the call of "Play" the ball is dead.

3.13- The Local League will establish ground rules to be followed by all teams in the league.

3.14- Members of the offensive team shall carry all gloves and other equipment off the field and to the dugout while their team is at bat. No equipment shall be left lying on the field, either in fair or foul territory.

3.15- No person shall be allowed on the playing field during a game except uniformed players, managers and coaches, umpires and news photographers authorized by the league. In case of intentional interference with play by any person authorized to be on the playing field, the ball is dead at the moment of the interference and no runners on base may advance. Should an overthrown ball accidentally touch an authorized person, it will not be considered interference and the ball will remain live.

3.16- When there is spectator interference with any thrown or batted ball, the ball shall be dead at the moment of interference and the umpire shall impose such penalties as in the umpires opinion will nullify the act of interference.

APPROVED RULING: If spectator interference clearly prevents a fielder from catching a fly ball, the umpire shall declare the batter out.

3.17 - Players and substitutes shall sit on their team's bench or in the dugout unless participating ,n the game or preparing to enter the game.

No one except eligible players in uniform, a manager and not more than two coaches shall occupy the bench or dugout. When batters or base runners are retired, they must return to the bench or dugout at once. Batboys and/or batgirls are not permitted.

NOTE: In Tee Ball, all players on the roster may be given a defensive position. Only one player may occupy the catcher's position in Tee Ball.

3.18- The Local League shall provide proper protection sufficient to preserve order and to prevent spectators from entering the field. Either team may refuse to play until the field is cleared.

4.01- The umpires shall proceed directly to home plate where they shall be met by the managers of the opposing teams, just preceding the established time to begin the game.

In sequence

- (a) the home team manager shall give the batting order in duplicate to the umpire-in-chief;
- (b) next, the visiting manager shall give the batting order in duplicate to the umpire-in-chief;
- (c) the umpire-in-chief shall make certain that the original and duplicate copies are the same, then provide a copy of each batting order to the opposing manager. The original copy retained by the umpire shall be the official batting order;
- (d) as soon as the home team's batting order is handed to the umpire-in-chief, the umpires are in charge of the playing field and from that moment have sole authority

to determine when a game shall be called, halted or resumed on account of weather or the conditions of the playing field.

NOTE: Rostered players who arrive at the game site after a game begins may be inserted in the lineup, if the manager so chooses. This applies even when a suspended game is resumed at a later date,

4.02- The players of the home team shall take their defensive positions, the first batter of the visiting team shall take a position in the batter's box, the umpire shall call "Play" and the game shall start.

4.03- When the ball is put in play at the start of, or during a game, all fielders other than the catcher shall be in fair territory.

(a) The catcher shall be stationed in the catcher's box. The catcher may leave that position at any time to catch a pitch or make a play except that when the batter is being given an intentional base on balls, the catcher must stand with both feet within the lines of the catcher's box until the ball leaves the pitcher's hand. PENALTY: Illegal pitch - ball called on the batter (see Rule 8.05). (Junior/ Senior/ Big League penalty: Balk)

(b) The pitcher, while in the act of delivering the ball to the batter, shall take the legal position.

(c) Except the pitcher and the catcher, any fielder may be stationed anywhere in fair territory.

(d) Except the batter, or runner attempting to score, no offensive player shall cross the catcher's lines when the ball is in play.

4.04- The batting order shall be followed throughout the game unless a player is substituted for another. Substitutes must take the place of the replaced player's position in the batting order except as covered by Rule 3.03.

A League may adopt a policy of a continuous batting order that will include all players on the team roster present for the game batting in order. If this option is adopted, each player would be required to bat in his/her respective spot in the batting order. However, a player may be entered and/or re-entered defensively into the game anytime provided he/she meets the requirements of mandatory play."

NOTE: If adopted and a child is injured, becomes ill or must leave the game site after the start of the game, the team will skip over him/her when his/her time at bat comes up without penalty. If the injured, ill or absent player returns he/she is merely inserted into their original spot in the batting order and the game continues. Also, if a child arrives late to a game site, if the manager chooses to enter him/her in the lineup (see Rule 4.01 NOTE), he/she would be added to the end of the current lineup.

4.05 - The offensive team shall station two base coaches on the field during its time at bat, one near first base and one near third base.

(4) talk to members of their own team only.

An offending base coach shall be removed from base coach's-box.

(1) incite, or try to incite, by word or sign, a demonstration by spectators;

- (2) use language which will in any manner refer to or reflect upon opposing players, manager, coach, an umpire or spectators;
- (3) make any move calculated to cause the pitcher to commit an illegal pitch (a balk in Junior/Senior/Big League);
- (4) take a position in the batter's line of vision, with the deliberate intent to distract the batter.

The umpire may first warn the player, coach and/or manager. If continued, remove the player, coach and/or manager from the game or bench. If such action causes an illegal pitch (a balk in Junior/Senior/Big League), it shall be nullified.

4.07- When a manager, coach or player is ejected from a game, he/she shall leave the field immediately and take no further part in that game. He/she may not sit in the stands and may not be recalled. Any manager, coach or player ejected from a game is suspended for his or her team's next physically played game and may not be in attendance at the game site from which they were suspended.

4.08 - When the occupants of a player's bench show violent disapproval of an umpire's decision, the umpire shall first give warning that such disapproval shall cease. If such action continues -

The manager of the offending team shall have the privilege of recalling to the playing field only those players needed for substitution in the game.

#### 4.09 - HOW A TEAM SCORES

(a) One run shall be scored each time a runner legally advances to and touches first, second, third and home base before three players are put out to end the inning.

EXCEPTIONS: A run is not scored if the runner advances to home base during a play in which the third out is made (1) by the batter-runner before touching first base; (2) by any runner being forced out; or (3) by a preceding runner who is declared out because that runner failed to touch one of the bases (appeal play).

APPROVED RULING: One out, Jones on third, Smith on first and Brown flies out to right field for the second out. Jones tags up and scores after the catch. Smith attempted to return to first but the right fielder's throw beat Smith to the base for the third out. But Jones scored before the throw to catch Smith reached first base. Hence, Jones' run counts. It was not a force play.

(b) When the winning run is scored in the last half-inning of a regulation game, or in the last half of an extra inning, as the result of a base on balls, hit batter or any other play with the bases full which forces the runner on third to advance, the umpire shall not declare the game ended until the runner forced to advance from third has touched home base and the batter-runner has touched first base,

#### 4.10 -

(a) A regulation game consists of six innings (Junior/Senior/Big League - seven innings), unless extended because of a tie score, or shortened (1) because the home team needs none of its half of the sixth inning (Junior/Senior/Big League - seventh inning) or only a fraction of it; or (2) because the umpire calls the game.

(b) If the score is tied after six complete innings (Junior/Senior/Big League - seven innings) , play shall continue until (1) the visiting team has scored more total runs than the home team at the end of a completed inning; or (2) the home team scores the winning run in an uncompleted inning.

(c) If a game is called, it is a regulation game -

(1) if four innings have been completed (Junior/Senior/Big League - five innings):

(2) if the home team has scored more runs in three or three and a fraction half innings than the visiting team has scored in four completed half-innings

(Junior/Senior/Big League - four and a half innings):

(3) if the home team scores one or more runs in its half of the fourth inning (Junior/Senior/Big League - fifth inning) to tie the score.

(d) If a game is called before it has become a regulation game, but after one (1) or more innings have been played, it shall be resumed exactly where it left off.

NOTE: All records, including pitching, shall be counted.

(e) If after four (4) innings (Junior/Senior/Big League - five innings), three and one-half innings (Junior/Senior/Big League - four and a half innings) if the home team is ahead, one team has a lead of ten (10) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. NOTE: (1) If the visiting team has a lead of ten (10) runs or more, the home team must bat in its half of the inning. (2) The Local League may adopt the option of not utilizing this rule.

(f) Tee Ball: The Local League may determine appropriate game length but shall not exceed 6 innings. It is recommended that Tee Ball games be 4 innings or 1- 1/2 hour time limit.

4.11- The score of a regulation game is the total number of runs scored by each team at the moment the game ends.

(a) The game ends when the visiting team completes its half of the sixth inning (Junior/Senior/Big League - seventh inning) if the home team is ahead.

(b) The game ends when the sixth inning (Junior/Senior/Big League - seventh inning) is completed, if the visiting team is ahead.

(c) If the home team scores the winning run in its half of the sixth inning (Junior/Senior/Big League - seventh inning) or its half of an extra inning after a tie, the game ends immediately when the winning run is scored.

NOTE: Once a game becomes regulation and it is called with the home team taking the lead in an incomplete inning, the game ends with the home team the winner.

EXCEPTION: If the last batter in a game hits a home run out of the playing field, the batter-runners on base are permitted to score, in accordance with the base-running rules, and the game ends when the batter-runner touches home plate.

APPROVED RULING: The batter hits a home run out of the playing field to win the game in the last half of the sixth or an extra inning, but is called out for passing a preceding runner. The game ends immediately when the winning run is scored.

(d) A called game ends at the moment the umpire terminates play.

EXCEPTION: If the game is called during an incomplete inning, the game ends at the end of the last previous completed inning in each of the following situations:

(1) The visiting team scores one or more runs to tie the score in the incomplete inning, and the home team does not score in the incomplete inning.

(2) The visiting team scores one or more runs to take the lead in the incomplete inning, and the home team does not tie the score or retake the lead in the incomplete inning

(e) A regulation game that is tied after four or more completed innings and halted by the umpire, shall be resumed from the exact point that play was halted. The game shall continue in accordance with Rule 4.10 (a) and 4.10 (b).

NOTE: When a TIE game is halted, the pitcher of record may continue pitching in the same game on any subsequent date provided said pitcher has observed the required days of rest and has pitching eligibility in the calendar week in which the game is resumed. For scorekeeping purposes, it shall be considered the same game, and all batting, fielding and pitching records will count.

4.12 - TIE games halted due to weather, curfew or light failure shall be resumed from the exact point at which they were halted in the original game. It can be completed preceding the next scheduled game between the same teams. A pitcher can pitch in both games on the same day subject to the six-inning per week limitation (9 inning per week for Junior and Senior league; 9 innings per day for Big League) provided in Regulation VI (b). The lineup and batting order of both teams shall be the same as the lineup and batting order at the moment the game was halted, subject to the rules governing substitution. No player once removed before the game was halted may be returned to the lineup unless covered by Rule 3.03.

NOTE: When a TIE game is halted, the pitcher of record may continue pitching in the same game on any subsequent date provided said pitcher has observed the required days of rest and has pitching eligibility in the calendar week in which the game is resumed. 5.01 - At the time set for beginning the game the umpire-in-chief shall order the home team to take its defensive positions and the first batter of the visiting team to take a position in the batter's box. As soon as all players are in position the umpire-in-chief shall call "Play."

5.02- After the umpire calls "Play" the ball is alive and in play and remains alive and in play until, for legal cause, or at the umpire's call of "Time" suspending play, the ball becomes dead. While the ball is dead, no player may be put out, no bases may be run and no runs may be scored, except that runners may advance one or more bases as the result of acts which occurred while the ball was alive (such as, but not limited to an illegal pitch, an overthrow, interference, or a home run or other fair hit out of the playing field.)

5.03-The pitcher shall deliver the pitch to the batter who may elect to strike the ball, or who may not offer at it, as such batter chooses.

5.04-The offensive team's objective is to have its batter become a runner, and its runners advance.

5.06 - When a batter becomes a runner and touches all bases legally, one run shall be scored for the offensive team.

Tee Ball: The side is retired when three offensive players are legally put out, or when all players on the roster have batted one time in the half-inning.)

5.08- If a thrown ball accidentally touches a base coach, or a pitched or thrown ball touches an umpire, the ball is alive and in play. However, if the base coach interferes with a thrown ball, the runner is out.

5.09- The ball becomes dead and runners advance one base, or return to their bases, without liability to be put out, when -

- (a) a pitched ball touches a batter, or the batter's clothing, while in a legal batting position; runners, if forced, advance (see 6.08);
- (b) the plate umpire interferes with the catcher's throw, runners return. If the catcher's throw gets the runner Out, the Out stands. No umpire interference;
- (c) an illegal pitch (a balk in Junior/Senior/Big League) is committed (see Penalty 8.05);
- (d) a ball is illegally batted either fair or foul; runners return;
- (e) a foul ball not caught, runners return. The umpire shall not put the ball in play until all runners have retouched their bases;
- (f) a fair ball touches a runner or an umpire on fair territory before it touches an infielder including the pitcher. or touches an umpire before it has passed an infielder other than the pitcher. Runner hit by a fair batted ball is out;  
NOTE: If a fair ball goes through, or by an infielder and touches a runner immediately back of said infielder, or touches a runner after being deflected by an infielder, the ball is in play and the umpire shall not declare the runner out. In making such decision, the umpire must be convinced that the ball passed through, or by, the infielder and that no other infielder had the chance to make splay on the ball; runners advance, if forced;
- (g) A pitched ball lodges in the catcher's or umpire's mask or paraphernalia; runners advance.
- (h) Junior / Senior / Big League - Any legal pitch touches a runner trying to score; runners advance.

5.10- The ball becomes dead when an umpire calls "Time." The umpire-in-chief shall call "Time" -

- (a) when in said umpire's judgment, weather, darkness or similar conditions make immediate further play impossible;
- (b) when light failure makes it difficult or impossible for the umpires to follow the play;  
NOTE: A league may adopt its own regulations governing games interrupted by light failure.
- (c) when an accident incapacitates a player or an umpire:
  - (1) If an accident to a runner is such as to prevent said runner from proceeding to an entitled base, as on a home run hit out of the playing field or an award of one or more bases, a substitute runner shall be permitted to complete the play.
- (d) when a manager requests "Time" for a substitution. or for a conference with one of the players; (NOTE; Only one offensive time-out, for the purpose of a visit or conference, will be permitted each inning.)

- (f) when a fielder, after catching a fly ball, falls into a stand, or falls across ropes into a crowd when spectators are on the field, or any other dead-ball area. As pertains to runners, the provisions of 7.04(b) shall prevail. If a fielder after making a catch steps into a dead ball area, but does not fall, the ball is alive and in play and runners may advance at their own peril;
- (g) when an umpire orders a player or any other person removed from the playing field;
- (h) except in the cases stated in paragraphs (b) and (c) (1) of this rule, no umpire shall call "Time" while a play is in progress.

5.11- After the ball is dead, play shall be resumed when the pitcher takes a position on the pitcher's plate with a new ball or the same ball in said pitcher's possession

### 6.01-

(a) Each player of the offensive team shall bat in the order that their name appears in the team's batting order.

(b) The first batter in each inning after the first inning shall be the player whose name follows that of the last player who legally completed a time at bat in the preceding inning

NOTE: In the event that while a batter is in the batter's box, the third out of an inning is made on a base runner, the batter then at bat shall be the first batter of the next inning and the count of balls and strikes shall start over.

### 6.02-

(a) The batter shall take his/her position in the batter's box promptly when it is said batter's time at bat.

(b) The batter shall not leave that position in the batter's box after the pitcher comes to Set Position, or starts a windup.

PENALTY: If the pitcher pitches, the umpire shall call "Ball" or "Strike" as the case may be.

(c) If the batter refuses to take his/her position in the batter's box during a time at bat, the umpire shall order the pitcher to pitch, and shall call "Strike" on each such pitch. The batter may take a proper position after any such pitch. and the regular ball and strike count shall continue, but if the batter does not take the proper position before three strikes are called, that batter shall be declared out.

6.03-The batter's legal position shall be with both feet within the batter's box.

APPROVED RULING: The lines defining the box are within the batter's box.

6.04- A batter has legally completed a time at bat when he/she is put out or becomes a runner.

6.05- A batter is out when -

(a) a fair or foul fly ball (other than a foul tip) is legally caught by a fielder;

(b) a third strike is caught or not caught by the catcher (Junior/Senior/Big League:

(b) a strike is legally caught by the catcher; (c) a third strike is not caught by the catcher when first base is occupied before two are out);

(c) bunting foul on a third strike;

(d) an Infield Fly is declared;

(e) that batter attempts to hit a third strike and is touched by the ball;

(f) a fair ball touches said batter before touching a fielder;

(g) after hitting or bunting a fair ball, the bat hits the ball a second time in fair territory. The ball is dead and no runner may advance, If the batter-runner drops the bat and the ball rolls against the bat in fair territory and, in the umpire's judgment there was no intention to interfere with the course of the ball, the ball is alive and in play;

(h) after hitting or bunting a foul ball, that runner intentionally deflects the course of the ball in any manner while running to first base. The ball is dead and no runners may advance;

(i) after hitting a fair ball, the batter-runner or first base is tagged before said batter-runner touches first base:

(j)in running the last half of the distance from home base to first base, while the ball is being fielded to first base, the batter-runner runs outside (to the right of) the three-foot line, or inside (to the left of) the foul line, and in the umpire's judgment in so doing interferes with the fielder taking the throw at first base:

except that the batter-runner may run outside (to the right of) the three-foot line or inside (to the left of) the foul line to avoid a fielder attempting to field a batted ball;

(k)an infielder intentionally drops a fair fly ball or line drive, with first, first and second, first and third, or first, second and third bases occupied before two are out.

The ball is dead and runner or runners shall return to their original base or bases;

APPROVED RULING: In this situation, the batter is not out if the infielder permits the ball to drop untouched to the ground, except when the Infield Fly rule applies.

(l)a preceding runner shall, in the umpire's judgment, intentionally interfere with a fielder who is attempting to catch a thrown ball or to throws ball in an attempt to complete a play.

(m) Junior/Senior/Big League Baseball - with two out, a runner on third base, and two strikes on the batter, the runner attempts to steal home base on a legal pitch and the ball touches runner in the batter's strike zone. The umpire shall call "Strike Three," the batter is out, and the run shall not count; before two are out, the umpire shall call "Strike Three," the ball is dead, and run counts.

6.06- A batter is out for illegal action when -

(a)hitting the ball with one or both feet on the ground entirely outside the batter's box.

(b)stepping from one batter's box to the other while the pitcher is in position ready to pitch;

(c)interfering with the catcher's fielding or throwing by stepping out of the batter's box or making any other movement that hinders the catcher's play at home base.

EXCEPTION: Batter is not out if any runner attempting to advance is put out, or if runner trying to score is called out for batter's interference.

#### 6.07-BATTING OUT OF TURN

(a)A batter shall be called out, on appeal, when failing to bat in his/her proper turn, and another batter completes a time at bat in place of the proper batter.

(1) The proper batter may take a position in the batter's box at any time before the improper batter becomes a runner or is put out, and any balls and strikes shall be counted in the proper batter's time at bat.

(b)When an improper batter becomes a runner or is put out, and the defensive team appeals to the umpire before the first pitch to the next batter of either team, or before any play or attempted play, the umpire shall

(1) declare the proper batter out:

and

(2) nullify any advance or score made because of a ball batted by the improper batter or because of the improper batter's advance to first base on a hit, an error, a base on balls, a hit batter or otherwise.

NOTE: If a runner advances, while the improper batter is at bat, on a stolen base, illegal pitch, wild pitch or passed ball, such advance is legal.

(c)When an improper batter becomes a runner or is put out, and a pitch is made to the next batter of either team before an appeal is made, the improper batter thereby becomes the proper batter, and the results of such time at bat become legal.

(d)(1) When the proper batter is called out for failing to bat in turn, the next batter shall be the batter whose name follows that of the proper batter thus called Out: (2) When an improper batter becomes a proper batter because no appeal is made before the next pitch, the next batter shall be the batter whose name follows that of such legalized improper batter, The instant an improper batter's actions are legalized, the batting order picks up with the name following that of the legalized improper batter.

#### APPROVED RULINGS

To illustrate various situations arising from batting out of turn, assume a first-inning batting order as follows:

Abel - Baker - Charles - Daniel - Edward - Frank - George - Henry - Irwin,  
PLAY (1). Baker bats. With the count 2 balls and 1 strike, (a) the offensive team discovers the error or (b) the defensive team appeals.

RULING: In either case, Abel replaces Baker, with the count 2 balls and 1 strike.

PLAY (2). Baker bats and doubles. The defensive team appeals (a) immediately or (b) after a pitch to Charles.

RULING: (a) Abel is called out and Baker is the proper batter; (b) Baker stays on second and Charles is the proper batter.

PLAY (3). Abel walks. Baker walks. Charles forces Baker. Edward bats in Daniel's turn. While Edward is at bat, Abel scores and Charles goes to second on a wild pitch. Edward grounds out, sending Charles to third. The defensive team appeals (a) immediately or (b) after a pitch to Daniel.

RULING: (a) Abel's run counts and Charles is entitled to second base since these advances were not made because of the improper batter batting a ball or advancing to first base. Charles must return to second base because the advance to third resulted from the improper batter batting a ball. Daniel is called out and Edward is the proper batter; (b) Abel's run counts and Charles stays on third. The proper batter is Frank.

batting order as follows:

Abel - Baker - Charles - Daniel - Edward - Frank - George - Henry - Irwin,

PLAY (4). With the bases full and two out, Henry bats in Frank's turn, and triples, scoring three runs. The defensive team appeals (a) immediately or (b) after a pitch to George.

RULING: (a) Frank is called out and no runs score. George is the proper batter to lead off the second inning; (b) Henry stays on third and three runs score. Irwin is the proper batter.

PLAY (5). After Play (4) (b) above, George continues to bat. (a) Henry is picked off third base for the third out, or (b) George flies Out, and no appeal is made. Who is the proper leadoff batter in the second inning?

RULING: (a) Irwin became the proper batter as soon as the first pitch to George legalized Henry's triple; (b) Henry. When no appeal was made, the first pitch to the leadoff batter of the opposing team legalized George's time at bat.

PLAY (6). Daniel walks and Abel comes to bat. Daniel was an improper batter and if an appeal is made before the first pitch to Abel, Abel is Out, Daniel is removed from base, and Baker is proper batter. There is no appeal and a pitch is made to Abel. Daniel's walk is now legalized, and Edward thereby becomes the proper batter. Edward can replace Abel at any time before Abel is put out, or becomes a runner. Edward does not do so. Abel flies out, and Baker comes to bat. Abel was an improper batter, and if an appeal is made before the first pitch to Baker, Edward is Out, and the proper batter is Frank. There is no appeal, and a pitch is made to Baker. Abel's Out is now legalized, and the proper batter is Baker. Baker walks. Charles is the proper batter. Charles flies out. Now Daniel is the proper batter, but Daniel is on second base. Who is the proper batter?

RULING: The proper batter is Edward. When the proper batter is on base, that batter is passed over, and the following batter becomes the proper batter.

(NOTE: The umpire and scorekeeper shall not direct the attention of any person to the presence in the batter's box of an improper batter. This rule is designed to require constant vigilance by the players and managers of both teams. There are two fundamentals to keep in mind: 1. When a player bats out of turn, the proper batter is the player called out. 2. If an improper batter bats and reaches base or is out and no appeal is made before a pitch to the next batter, or before any play or attempted play, that improper batter is considered to have batted in proper turn and establishes the order that is to follow.)

Tee Ball: The scorekeeper shall inform the manager that a player has batted out of order. There shall be no penalty and that player shall not have another turn at bat, but shall resume the normal position next time up.

6.08-The batter becomes a runner and is entitled to first base without liability to be put out (provided said runner advances to and touches first base) when

(a)foul "balls" have been called by the umpire:

(b)the batter is touched by a pitched ball which the batter is not attempting to hit unless (1) The ball is in the strike zone when it touches the batter, or (2) the batter makes no attempt to avoid being touched by the ball:

NOTE: If the ball is in the strike zone when it touches the batter, it shall be called a strike, whether or not the batter tries to avoid the ball, If the ball is outside the strike zone when it touches the batter, it shall be called a ball if that batter makes no attempt to avoid being touched.

APPROVED RULING: When the batter is touched by a pitched ball which does not entitle that batter to first base, the ball is dead and no runner may advance.

(c)the catcher or any fielder interferes with the batter. If a play follows the interference, the manager of the offense may advise the plate-umpire of a decision to decline the interference penalty and accept the play. Such election shall be made immediately at the end of the play. However if the batter reaches first base on a hit, an error, a base on balls, a hit batter or otherwise, and all other runners advance at least one base, the play proceeds without reference to the interference;

(d)a fair ball touches an umpire or a runner in fair territory before touching a fielder.

NOTE:If a fair ball touches an umpire after having passed a fielder other than the pitcher, or having touched a fielder, including the pitcher. the ball is in play.

6.09-The batter becomes a runner when

(a)a fair ball is hit;

(b)Junior/Senior/Big League only: the third strike called by the umpire is not caught, providing (1) first base is unoccupied or (2) first base is occupied with two out (NOTE: A batter forfeits his/her opportunity to advance to first base when he/she enters the dugout or other dead ball area);

(c)a fair ball, after having passed a fielder other than the pitcher, or after having been touched by a fielder, including the pitcher, shall touch an umpire or runner in fair territory;

(d)a fair fly ball passes over a fence or into the stands at a distance from home base of 165 feet (Junior/Senior/Big League Baseball - 250 feet) or more. Such hit entitles the batter to a home run when all bases have been legally touched. A fair fly ball that passes out of the playing field at a point less than 165 feet (Junior/Senior/Big League Baseball - 250 feet) from home base shall entitle the batter to advance to second base only;

(e) a fair ball, after touching the ground, bounds into the stands, or passes through, over or under a fence, or through or under a scoreboard, or through or under shrubbery, or vines on the fence, in which case the batter and runners shall be entitled to advance two bases;

(f)any fair ball which, either before or after touching the ground, passes through or under a fence, or through or under a scoreboard, or through any opening in the fence or scoreboard, or through or under shrubbery or vines on the fence, or which sticks in a fence or scoreboard, in which case the batter and the runners shall be entitled to two bases;

(g)any bounding fair ball is deflected by the fielder into the stands, or over or under a fence on fair or foul territory, in which case the batter and all runners shall be entitled to advance two bases

(h)any fair fly ball is deflected by the fielder into the stands, or over the fence into foul territory, in which case the batter shall be entitled to advance to second base; but if deflected into the stands or over the fence in fair territory, the batter shall be entitled to a home run. However, should such a fair fly be deflected at a point less than 165 feet (Junior/Senior/Big League Baseball - 250 feet) from home plate, the batter shall be entitled to two bases only.

7.01- A runner acquires the right to an unoccupied base when that runner touches it before being put out. The runner is then entitled to it until put out or forced to vacate it for another runner legally entitled to that base. Ifs runner legally acquires title to a base, and the pitcher assumes his/her position on the pitcher's plate, the runner may not return to a previously occupied base.

7.02- In advancing, a runner shall touch first, second, third and home base in order. If forced to return, the runner shall retouch all bases in reverse order, unless the ball is dead under any provision of Rule 5.09. In such cases, the runner may go directly to the original base.

7.03- Two runners may not occupy abase, but if, while the ball is alive, two runners are touching the base, the following runner shall be out when tagged. The preceding runner is entitled to the base.

7.04- Each runner, other than the batter, may, without liability to be put out, advance one base when -  
(a)the batter's advance without liability lobe put out forces the runner to vacate a base, or when the batter hits a fair ball that touches another runner or the umpire before such ball has been touched by, or has passed a fielder, if the runner is forced to advance, or in Junior/Senior/Big League Baseball, there is a balk;  
(b)a fielder, after catching a fly ball, falls into a stand, or falls across ropes info a crowd when spectators are on the field or falls into any other dead-ball areas; NOTE: When a runner is entitled to a base without liability to be put Out, while the ball is in play, or under any rule in which the ball is in play after the runner reaches an entitled base, and the runner fails to touch the base to which that runner is entitled before attempting to advance to the nest base, the runner shall forfeit the exemption from liability to be put out and may be put out by tagging the base or by tagging the runner before that runner returns to the missed base.

7.05- Each runner including the batter-runner may, without liability to be put out, advance -  
(a)to home base scoring a run, if a fair ball goes out of the playing field in flight and the runner touches all bases legally; or ifs fair ball which, in the umpire's judgment, would have gone out of the playing field in flight (165 feet from home plate;(Junior/Senior/Big League Baseball - 250 feet), is deflected by the act of a fielder in throwing a glove, cap, or any article of apparel;  
(b)three bases, ifs fielder deliberately touches a fair ball with a cap, mask, or any part of that fielder's uniform detached from is proper place on the person of said fielder. The ball is in play and the batter may advance to home plate at the batter's peril;  
(c)three bases, its fielder deliberately throws a glove and touches a fair ball. The ball is in play and the batter may advance to home plate at that batter's own peril;  
(d)two bases, if a fielder deliberately touches a thrown ball with a cap, mask or any part of the uniform detached from its proper place on the person of said fielder. The ball is in play;  
(e)two bases, ifs fielder deliberately throws a glove stand touches a thrown ball. The ball is in play;  
(f)two bases, ifs fair ball bounces or is deflected into the stands outside the first or third base foul line; or if it goes through or under a field fence, or through or under a scoreboard, or through or under shrubbery or vines on the fence; or if it sticks in such fence, scoreboard, shrubbery or vines

(g)two bases when, with no spectators on the playing field, a thrown ball goes into the stands, or into a bench (whether or not the ball rebounds into the field), or over or under or through a field fence, or on a wanting pan of the screen above the backstop, or remains in the meshes of wire screen protecting spectators. The ball is dead. When such wild throw is the first play by an infielder, the umpire, in awarding such bases, shall be governed by the position of the runners at the time the ball was pitched; in all other cases the umpire shall be governed by the position of the runners at the time the wild throw was made; APPROVED RULING: If all runners, including the batter-runner have advanced at least one base when an infielder makes a wild throw on the first play after the pitch, the award shall be governed by the position of the runners when the wild throw was made.

(h)one base, if a ball, pitched to the batter, or thrown by the pitcher from the position on the pitcher's plate to a base to catch a runner goes into a stand or a bench, or over or through a field fence or backstop. The ball is dead;

(i)one base, if the batter becomes a runner on a ball four when the pitch passes the catcher and lodges in the umpire's mask or paraphernalia.

NOTE (1): If the batter becomes a runner on a wild pitch which entitles the runners to advance one base, the batter-runner shall be entitled to first base only but can advance beyond first base at their own risk if the ball stays in play.

NOTE (2): In Tee Ball, the runner or runners will be permitted to advance at their own risk on an overthrow that remains in play, but not more than one base.

7.06-When the obstruction occurs, the umpire shall call or signal "Obstruction"

(a)If a play is being made on the obstructed runner, or if the batter-runner is obstructed before touching first base, the ball is dead and all runners shall advance without liability to be put out, to the bases they would have reached, in the umpire's judgment, if there had been no obstruction. The obstructed runner shall be awarded at least one base beyond the base last legally touched by such runner, before the obstruction. Any preceding runners forced to advance by the award of bases as the penalty for obstruction shall advance without liability to be put out;

(b)If no play is being made on the obstructed runner, the play shall proceed until no further action is possible. The umpire shall then call "Time" and impose such penalties, if any, as in that umpire's judgment will nullify the act of obstruction.

(NOTE 1: When the ball is not dead on obstruction and an obstructed runner advances beyond the base which, in the umpire's judgment, the runner would have been awarded because of being obstructed, the runner does so at his/her own risk and may be tagged Out. This is a judgment call. NOTE 2: The catcher, without the ball in his/her possession, has no right to block the pathway of the runner attempting to score. The base line belongs to the runner and the catcher should be there only when fielding a ball or with the ball already in his/her possession.)

7.07-Junior/Senior/Big League Baseball only. If, with a runner on third base and trying to score by means of a squeeze play or steal, the catcher or any other fielder steps in front of home base without possession of the ball, or touches the batter or the bat, the pitcher shall be charged with a balk, the batter shall be awarded first base on the interference and the ball is dead.

7.08- Any runner is out when -

(a)(1) running more than three feet away from a direct line between bases to avoid being tagged, unless such action is to avoid interference with a fielder fielding a batted ball; or (2) after touching first base the runner leaves the baseline, obviously abandoning all effort to touch the next base; or (3) the runner does not slide or attempt to get around a fielder who has the ball and is waiting to make the tag; (4 Tee Ball, Little League Majors and Minors only) the runner slides head first while advancing.

APPROVED RULING (Junior/Senior/Big League Baseball): When a batter becomes a runner on a third strike not caught and starts for the bench or his/her position, that batter may advance to first base at any time before entering the bench. To put the

batter out, the defense must tag the batter or first base before the batter touches first base.

(b)intentionally interferes with a thrown ball; or hinders a fielder attempting to make a play on a batted ball (NOTE: A runner who is adjudged to have hindered a fielder who is attempting to make a play on a batted ball is out whether it was intentional or not);

(c)that runner is tagged, when the ball is alive, while off a base:

EXCEPTION: A batter-runner cannot be tagged out after overrunning or oversliding first base if said batter-runner returns immediately to the base.

APPROVED RULING: (1) If the impact of a runner breaks a base loose from its position, no play can be made on that runner at that base if the runner had reached the base safely.

APPROVED RULING: (2) If a base is dislodged from its position during a play, any following runner on the same play shall be considered as touching or occupying the base it, in the umpire's judgment, that runner touches or occupies the dislodged bag, or the point marked by the original location of the dislodged bag.

(d)failing to retouch the base after fair or foul fly ball is legally caught before that runner or the base is tagged by a fielder. The runner shall not be called out for failure to retouch the base after the first following pitch, or any play or attempted play. This is an appeal play.

NOTE: Base runners can legally retouch their base once a fair ball in flight is touched and advance at their own risk and can also advance if a foul ball is caught.

(e)failing to reach the next base before a fielder tags said runner or the base after that runner has been forced to advance by reason of the batter becoming a runner. However, if a following runner is put out on a force play, the force is removed and the runner must be tagged to be put out. The force is removed as soon as the runner touches the base to which that runner is forced to advance, and if oversliding or overrunning the base, the runner must be tagged to be put out. However, if the forced runner, after touching the next base, retreats for any reason towards the base last occupied, the force play is reinstated and the runner can again be put out if the defense tags the base to which the runner is forced;

(f)touched by a fair ball in fair territory before the ball has touched or passed an infielder. The ball is dead and no runner may score, no runners may advance, except runners forced to advance;

EXCEPTION: If a runner is touching a base when touched by an Infield Fly, that runner is not out, although the batter is out.

NOTE 1: If a runner is touched by an Infield Fly when not touching a base, both runner and batter are out.

NOTE 2: If two runners are touched by the same fair ball, only the first one is out because the ball is instantly dead.

(g) attempting to score on a play in which the batter interferes with the play at home base before two are out. With two out, the interference puts the batter out and no score counts;

(h) passes a preceding runner before such runner is out:

(i)after acquiring legal possession of a base, the runner runs the bases in reverse order for the purpose of confusing the defense or making a travesty of the game. The umpire shall immediately call "Time" and declare the runner out;

(j)failing to return at once to first base after overrunning or oversliding that base. If attempting to run to second the runner is out when tagged. If after overrunning or oversliding first base, the runner starts toward the dugout, or toward a position, and fails to return to first base at once, that runner is out on appeal, when said runner or the base is tagged;

(k)in running or sliding for home base, the runner fails to touch home base and makes no attempt to return to the base, when a fielder holds the ball in hand, while touching home base, and appeals to the umpire for the decision. (NOTE: This rule applies only where the runner is on the way to the bench and a fielder would be required to chase the runner to tag him/her. It does not apply to the ordinary play

where the runner misses the plate and then immediately makes an effort to touch the plate before being tagged. In that case, the runner must be tagged.)

7.09- It is interference by a batter or runner when -

- (a) the batter hinders the catcher in an attempt to field the ball;
- (b) after hitting or bunting a fair ball, while holding the bat, the bat of such batter hits the ball a second time in fair territory. The ball is dead and no runners may advance. If the batter-runner drops the bat and the ball rolls against the bat in fair territory and, in the umpire's judgment, there was no intention to interfere with the course of the ball, the ball is alive and in play;
- (c) the batter intentionally deflects the course of a foul ball in any manner;
- (d) before two are out and a runner on third base, the batter hinders a fielder in making a play at home base; the runner is out;
- (e) any member or members of the offensive team stand or gather around any base to which a runner is advancing, to confuse, hinder or add to the difficulty of the fielders. Such runner shall be declared out for the interference of teammate or teammates;
- (f) any batter or runner who has just been put out hinders or impedes any following play being made on a runner. Such runner shall be declared out for the interference of a teammate;
- (g) if, in the judgment of the umpire, a base runner willfully and deliberately interferes with a batted ball or a fielder in the act of fielding a batted ball with the obvious intent to break up a double play, the ball is dead. The umpire shall call the runner out for interference and also call out the batter-runner because of the action of the runner. In no event may bases be run or runs scored because of such action by a runner;
- (h) if, in the judgment of the umpire, a batter-runner willfully and deliberately interferes with a batted ball or a fielder in the act of fielding a batted ball, with the obvious intent to break up a double play, the ball is dead. The umpire shall call the batter-runner out for interference and shall also call out the runner who advanced closest to the home plate regardless where the double play might have been possible. In no event shall bases be run because of such interference;
- (i) in the judgment of the umpire, the base coach at third base, or first base, by touching or holding the runner, physically assists that runner in returning to or leaving third base or first base;
- (j) with a runner on third base, the base coach leaves the box and acts in any manner to draw a throw by a fielder;
- (k) in running the last half of the distance from home base to first base while the ball is being fielded to first base, the batter-runner runs outside (to the right of) the three foot line, or inside (to the left of) the foul line and, in the umpire's judgment, interferes with the fielder taking the throw at first base or attempting to field a batted ball;

(l) the runner fails to avoid a fielder who is attempting to field a batted ball, or intentionally interferes with a thrown ball, provided that if two or more fielders attempt to field a batted ball and the runner comes in contact with one or more of them, the umpire shall determine which fielder is entitled to the benefit of this rule, and shall not declare the runner out for coming in contact with a fielder other than the one the umpire determines to be entitled to field such a ball;

(m) a fair ball touches the batter or runner in fair territory before touching a fielder. If a fair ball goes through or by an infielder and touches a runner immediately back of said infielder or touches the runner after having been deflected by a fielder, the umpire shall not declare the runner out for being touched by a batted ball. In making such decision, the umpire must be convinced that the ball passed through or by the infielder and that no other infielder had the chance to make a play on the ball. If in the judgment of the umpire, the runner deliberately and intentionally kicks such a batted ball on which the infielder had missed a play, then the runner shall be called Out for interference.

**PENALTY FOR INTERFERENCE:** The runner is out and the ball is dead.

7.10 - Any runner shall be called out on appeal -

(a) after a fly ball is caught the runner fails to retouch the base before said runner or the base is tagged (NOTE: "Retouch" in this rule means to tag up and start from a contact with the base after the ball is caught. A runner is not permitted to take a flying start from a position in back of, and not touching, the base);

(b) with the ball in play, while advancing or returning to a base, the runner fails to touch each base in order before said runner, or a missed base, is tagged;

APPROVED RULING: (1) No runner may return to touch a missed base after a following runner has scored. (2) When the ball is dead no runner may return to touch a missed base or one abandoned after said runner has advanced to and touched a base beyond the missed base.

Play A - Batter hits ball Out of the park, or hits a ground rule double, and misses first base (ball is dead). The runner may return to first base to correct the mistake before touching second. But if the runner touches second, he/she may not return to first and if the defensive team appeals, the runner is declared Out at first. (Appeal play.)

Play B - Batter hits a ground ball to shortstop, who throws wild into the stands (ball is dead). Batter-runner misses first base but is awarded second base on the overthrow. Even though the umpire has awarded the runner second base on the overthrow, the runner must touch first base before proceeding to second base. (Appeal play.)

(c) the runner overruns or overslides first base and fails to return to the base immediately, and said runner or the base is tagged;

(d) the runner fails to touch home base and makes no attempt to return to that base, and home base is tagged. Note: A runner forfeits his/her opportunity to return to home base when he/she enters the dugout or other dead ball area. Any appeal under this rule must be made before the next pitch, or any play or attempted play. No appeal can be made if the ball is dead. If the violation occurs during a play which ends a half-inning, the appeal must be made before all the defensive players have left fair territory.

An appeal is not to be interpreted as a play or an attempted play.

Successive appeals may not be made on a runner at the same base, If the defensive team on its first appeal errs, a request for a second appeal on the same runner at the same base shall not be allowed by the umpire. (Intended meaning of the word "err" is that the defensive team in making an appeal threw the ball Out of play. For example, if the pitcher threw to first base to appeal and threw the ball into the stands, no second appeal would be allowed.)

NOTE:(1) Appeal plays may require an umpire to recognize an apparent "fourth out." If the third out is made during a play in which an appeal play is sustained on another runner, the appeal play decision takes precedence in determining the out. If there is more than one appeal during a play that ends a half-inning, the defense may elect to take the Out that gives it the advantage. For the purposes of this rule, the defensive team has "left the field" when all players have left fair territory on their way to the bench or dugout.

NOTE:(2) If a pitcher makes an illegal pitch (a balk in Junior/ Senior/ Big League baseball) when making an appeal, such act shall be a play. An appeal should be clearly intended as an appeal, either by a verbal request by the player or an act that unmistakably indicates an appeal to the umpire. A player, inadvertently stepping on the base with a ball in hand, would not constitute an appeal. The ball must be live to make an appeal.

7.11-The players, coaches or any member of an offensive team shall vacate any space (including both dugouts) needed by a fielder who is attempting to field a batted or thrown ball.

PENALTY: Interference shall be called and the batter or runner on whom the play is being made shall be declared out.

7.12-Unless two are out, the status of a following runner is not affected by a preceding runner's failure to touch or retouch a base, If, upon appeal, the preceding

runner is the third out, no runners following the preceding runner shall score. If such third out is the result of a force play, neither preceding nor following runners shall score.

7.13- (Tee Ball/Minors/Majors only) When a pitcher is in contact with the pitcher's plate and in possession of the ball and the catcher is in the catcher's box ready to receive delivery of ball, base runners shall not leave their bases until the ball has been delivered and has reached the batter.

The violation by one base runner shall affect all other base runners -

(a) when a base runner leaves the base before the pitched ball has reached the batter and the batter does not hit the ball, the runner is permitted to continue, If a play is made on the runner and the runner is out, the out stands, If said runner reaches safely the base to which the runner is advancing, that runner must be returned to the base occupied before the pitch was made, and no out results;

(b) when a base runner leaves the base before the pitched ball has reached the batter and the batter hits the ball, the base runner or runners are permitted to continue, If a play is made and the runner or runners are put out, the out or outs will stand, If not put out, the runner or runners must return to the original base or bases or to the unoccupied base nearest the one that was left;

In no event shall the batter advance beyond first base on a single or error, second base on a double or third base on a triple. The umpire-in-chief shall determine the base value of the hit ball.

(c) when any base runner leaves the base before the pitched ball has reached the batter and the batter bunts or hits a ball within the infield, no run shall be allowed to score If three runners were on the bases and the batter reaches first base safely, each runner shall advance to the base beyond the one they occupied at the start of the play except the runner who occupied third base, which runner shall be removed from the base without a run being scored.

NOTE: See exceptions following this rule.

EXCEPTION: If at the conclusion of the play there is an open base, paragraphs (a) and (b) will apply.

EXAMPLES:

- (1) Runner on first leaves too soon, batter reaches first safely, runner goes to second.
2. Runner on second leaves too soon, batter reaches first safely, runner returns to second.
3. Runner on third leaves too soon, batter reaches first safely, runner returns to third.
4. Runner on first leaves too soon, batter hits clean double, runner goes to third only.
5. Runner on second leaves too soon, batter hits clean double, runner goes to third only.
6. Runner on third leaves too soon, batter hits clean double, runner returns to third.
7. All runners on base will be allowed to score when the batter hits a clean triple or home run, regardless of whether any runner left too soon.
8. Runners on first and second, either leaves too soon, batter reaches first safely, runners go to second and third.
9. Runners on first and second, either leaves too soon, batter hits clean double, runner on first goes to third, runner on second scores.
10. Runners on first and third, either leaves too soon, batter reaches first safely, runner on first goes to second, runner on third remains there.
11. Runners on first and third, either leaves too soon, batter hits a clean double, runner on first goes to third, runner on third scores.
12. Runners on second and third, either leaves too soon, batter reaches first safely, neither runner can advance.
13. Runners on second and third, either leaves too soon, batter hits a clean double, runner on third scores, runner on second goes to third.
14. Runners on first, second and third, any runner leaves too soon, batter hits clean double, runners on second, third score, runner on first goes to third.
15. Bases full, any runner leaves too soon, batter reaches first safely on any ball bunted or hit within the infield, all runners advance one base except runner

advancing from third. Runner advancing from third is removed, no run is scored and no out charged. If on the play, a putout at any base results in an open base, runner who occupied third base returns to third base.

16. Bases full, any runner leaves too soon, batter received a base on balls or is hit by a pitch, each runner will advance one base and a run will score.

NOTE (1): When an umpire detects a base runner leaving the base too soon, that umpire shall drop a signal flag or handkerchief immediately to indicate the violation.

NOTE (2): For purpose of these examples, it is assumed that the batter-runner remains at the base last acquired safely.

NOTE (3): In Tee Ball, base runners must stay in contact with the base until the ball is hit. When players have advanced as far as possible without being put out or having been retired the umpire shall call time" and place the ball on the tee.

7.14 Once each inning a player who has not appeared in the batting order may be used as a special pinch runner for any offensive player. The player for whom the pinch runner runs is not subject to removal from the lineup. If the pinch runner remains in the game as a substitute defensive or offensive player, the player may not be used again as a pinch runner while in the batting order. However, if removed for another substitute that player or any player not in the line up, is again eligible to be used as a pinch runner.

8.01-Legal pitching delivery. There are two legal pitching positions, the Windup Position and the Set Position, and either position may be used at any time.

Pitchers shall take signs from the catcher while standing on the pitcher's plate.

(a)The Windup Position. The pitcher shall stand facing the batter, the entire pivot foot on, or in front of and touching and not off the end of the pitcher's plate, and the other foot free. From this position any natural movement associated with the delivery of the ball to the batter commits the pitcher to pitch without interruption or alteration. The pitcher shall not raise either foot from the ground, except that in the actual delivery of the ball to the batter, said pitcher may take one step backward, and one step forward with the tree foot.

From this position the pitcher may:

(1)deliver the ball to the batter, or

(2)step and throw to a base in an attempt to pick off a runner, or

(3)disengage the pitcher's plate. In disengaging the pitcher's plate, the pitcher must step off with the pivot foot and not the free foot first. The pitcher may not go into a set or stretch position. If the pitcher does, it is an illegal pitch (a balk in Junior/Senior/Big League Baseball.)

NOTE: When a pitcher holds the ball with both hands in front of the body, with the entire pivot foot on, or in front of and touching but not off the end of the pitcher's plate, and the other foot free, that pitcher will be considered in a Windup Position.

(b)The Set Position. Set Position shall be indicated by the pitcher when that pitcher stands facing the batter with the entire pivot foot on, or in front of, and in contact with, and not off the end of the pitcher's plate, and the other foot in front of the pitcher's plate, holding the ball in both hands in front of the body. From such Set Position the pitcher may deliver the ball to the batter, throw to a base or step backward off the pitcher's plate with the pivot foot. Before assuming Set Position, the pitcher may elect to make any natural preliminary motion such as that known as "the stretch." But if the pitcher so elects, that pitcher shall come to Set Position before delivering the ball to that batter.

NOTE: The pitcher need not come to a complete stop. Junior/Senior/Big League baseball: the pitcher must come to a complete and discernible stop

(c)At any time during the pitcher's preliminary movements and until the natural pitching motion commits that pitcher to the pitch, said pitcher may throw to any

base provided the pitcher steps directly toward such base before making the throw. The pitcher shall step ahead of the throw." A snap throw followed by the step toward the base is an illegal pitch (A balk in Junior/Senior/Big League Baseball). (See Penalty for illegal pitch under Rule 8.05.)

(d) If the pitcher makes an illegal pitch with the bases unoccupied, it shall be called a ball unless the batter reaches first base on a hit, an error, a base on balls, a hit batter or otherwise. A ball which slips out of the pitcher's hand and crosses the foul line shall be called a ball; otherwise it will be called "no pitch" without runners on base, and an illegal pitch (A balk in Junior/Senior/Big League baseball) with runners on base. (See Penalty for illegal pitch under Rule 8.05.)

(e) If the pitcher removes the pivot foot from contact with the pitcher's plate by stepping backward with that foot, that pitcher thereby becomes an infielder and in the case of a wild throw from that position, it shall be considered the same as a wild throw by any other infielder.

(f) Tee Ball: The pitcher shall keep both feet on the pitcher's plate until the ball is hit.

8.02- The pitcher shall not -

(a)(1) bring the pitching hand in contact with the mouth or lips while in the 10-foot circle (18-foot circle in Junior/Senior/Big League baseball) surrounding the pitcher's plate;

PENALTY: For violation of this part of the rule the umpires shall immediately call a ball and warn the pitcher that repeated violation of any part of this rule can cause the pitcher to be removed from the game. However, if the pitch is made and a batter reaches first base on a hit, an error, a hit batter or otherwise, and no other runner is put out before advancing at least one base, the play shall proceed without reference to the violation.

(2) apply a foreign substance of any kind to the ball:

(3) expectorate on the ball, either hand or the glove:

(4) rub the ball on the glove, person or clothing:

(5) deface the ball in any manner;

(6) deliver what is called the "shine" ball, "spit ball," "mud" ball or "emery" ball. The pitcher, of course is allowed to rub off the ball between the bare hands;

PENALTY: For violation of any part of this rule 8.02 (a). (2 through 6) the umpire shall: Call pitch a ball and warn pitcher.

If a play occurs on the violation, the manager of the offense may advise the plate umpire of acceptance of the play. (Such election must be made immediately at the end of play.)

NOTE: A pitcher may use a rosin bag for the purpose of applying rosin to the bare hand or hands. Neither the pitcher nor any other player shall dust the ball with the rosin bag; neither shall the pitcher nor any other player be permitted to apply rosin from the bag to their glove or dust any part of the uniform with the rosin bag.

(b) Intentionally delay the game by throwing the ball to players other than the catcher, when the batter is in position, except in an attempt to retire a runner or commit an illegal pitch for the purpose of not pitching to the batter (i.e. intentional walk, etc...)

PENALTY: If, after warning by the umpire, such delaying action is repeated, the pitcher can be removed from the game.

(c) Intentionally pitch at the batter, If in the umpire's judgment, such violation occurs, the umpire shall warn the pitcher and the manager of the defense that another such pitch will mean immediate expulsion of the pitcher. If such pitch is repeated during the game, the umpire shall eject the pitcher from the game.

8.03- When a pitcher takes a position at the beginning of each inning, that pitcher shall be permitted to pitch not to exceed eight preparatory pitches to the catcher, or other teammate acting in the capacity of catcher, during which play shall be suspended. Such preparatory pitches shall not consume more than one minute of time. If a sudden emergency causes a pitcher to be summoned into the game

without any opportunity to warm up, the umpire-in-chief shall allow the pitcher as many pitches as the umpire deems necessary.

Big League Intentional Walk rule: Before a ball is delivered to the batter, the catcher must inform the umpire-in-chief that the defensive team wishes to give the batter an intentional base-on-balls. The umpire-in-chief waves the batter to first base. The ball is dead."

8.04- When the bases are unoccupied, the pitcher shall deliver the ball to the batter within 20 seconds after the pitcher receives the ball. Each time the pitcher delays the game by violating this rule, the umpire shall call 'Ball."

NOTE: The intent of this rule is to avoid unnecessary delays. The umpire shall insist that the catcher return the ball promptly to the pitcher, and that the pitcher take a position on the pitcher's plate promptly.

Big League Intentional Walk rule: Before a ball is delivered to the batter, the catcher must inform the umpire-in-chief that the defensive team wishes to give the batter an intentional base-on-balls. The umpire-in-chief waves the batter to first base. The ball is dead."

8.05 - An illegal pitch (A balk in Junior/Senior/Big League baseball when a runner or runners are on base) is when -

(a)the pitcher, while touching the plate, makes any motion naturally associated with the pitch and fails to make such delivery;

(b)the pitcher, while touching the plate, feints a throw to first base and fails to complete the throw;

(c)the pitcher, while touching the plate, fails to step directly toward a base before throwing to that base;

(d)the pitcher, while touching the plate, throws, or feints a throw to an unoccupied base, except for the purpose of making a play;

(e)the pitcher makes an illegal pitch; Umpires will judge a quick pitch as one delivered before the batter is reasonably set in the batter's box.

NOTE: A quick pitch is an illegal pitch

(f)the pitcher delivers the ball to the batter while not facing the batter;

(g)the pitcher makes any motion naturally associated with the pitch while not touching the pitcher's plate;

(h)the pitcher unnecessarily delays the game;

(i)the pitcher, without having the ball, stands on or astride the pitcher's plate or while off the plate feints a pitch;

(j)the pitcher, while touching the plate, accidentally or intentionally drops the ball;

(k)the pitcher, while giving an intentional base on balls, pitches when the catcher is not in the catcher's box.

NOTE: There is no balk in Little League (majors), Minor League or Tee Ball.

PENALTY: The pitch shall be called a ball. If a play follows the illegal pitch the manager of the offense may advise the plate umpire of a decision to decline the illegal pitch penalty and accept the play. Such election shall be made immediately at the end of the play. However, if the batter hits the ball and reaches first base safely, and if all base-runners advance at least one base on the action resulting from the batted ball, the play proceeds without reference to the illegal pitch. NOTE: A batter hit by pitch shall be awarded first base without reference to the illegal pitch.

(I)Junior/Senior/Big League only: The pitcher, after coming to a legal position, removes one hand from the ball other than in an actual pitch, or in throwing to a base;

JUNIOR/SENIOR/BIG LEAGUE PENALTY: The ball is dead, and each runner shall advance one base without liability to be put out unless the batter reaches first on a hit, an error, a base on balls, a hit batter or otherwise, and all other runners advance at least one base in which case the play proceeds without reference to the balk.

When a balk is called and the pitch is delivered it will be considered neither a ball nor strike unless the pitch is ball four (4) awarding the batter first base and forcing all runners on base to advance. (NOTE: Umpires should bear in mind that the purpose of the balk rule is to prevent the pitcher from deliberately deceiving the base runner.

If there is doubt in the umpire's mind, the "intent" of the pitcher should govern. However, certain specifics should be borne in mind:

(1) Straddling the pitcher's plate without the ball is to be interpreted as intent to deceive and ruled a balk.

(2) With a runner on first base, and the runner attempting to steal second, the pitcher may make a complete turn, without hesitating toward first, and throw to second. This is not to be interpreted as throwing to an unoccupied base.

APPROVED RULING: If the pitcher violates (a) through (k) in this rule and throws wild to a base, the runner or runners may advance at their own risk. (Delayed dead ball.)

(m) Junior/Senior/Big League Only the pitcher delivers the pitch from the set position without coming to a stop.

8.06- This rule, which applies to each pitcher who enters a game, governs the visits of the manager or coach to the pitcher at the foul line (at the mound in Junior/Senior/Big League baseball).

(a) A manager or coach may come out twice in one inning to visit with the pitcher, but the third time out, the player must be removed as a pitcher. Example: If a manager visits Pitcher A once in the first inning, then makes a pitching change in the same inning, Pitcher B would be allowed two visits in that inning before being removed on the third visit.

(b) A manager or coach may come out three times in one game to visit with the pitcher, but the fourth time out, the player must be removed as a pitcher. Example: If a manager visits Pitcher A twice in the first three innings, then makes a pitching change in the fourth inning, Pitcher B would be allowed three visits in that game before being removed on the fourth visit, subject to the limits in (a) above.

(c) The manager or coach is prohibited from making a third visit while the same batter is at bat

(d) A manager or coach may not confer with any other defensive player. The catcher may be included in the visit with the pitcher.

APPROVED RULING 1: At the time a pitcher is removed, a visit shall not be charged to the new pitcher.

APPROVED RULING 2: A conference with the pitcher or any other fielder to evaluate the player's condition after an injury shall not be considered a visit for the purposes of this rule. The manager or coach should advise the umpire of such a conference, and the umpire should monitor same.

Correction to 2001 Rule book (rule changes 2/21/01)

Junior/Senior/Big League Softball:

This rule, which applies to each pitcher who enters a game, governs the visits of the manager or coach to the pitcher at the mound.
